

WARRANTY

The Sparco Evolve cockpit is guaranteed for 24 months from delivery against factory defects as per Directive 99/44/EC. The length of the warranty may vary in some countries due to local laws and practices. The warranty covers product replacement and/or repairs in the event of factory defects for the entire warranty period. Please note that the warranty is null and void should the product be improperly used and/or assembled or subject to maintenance other than that indicated in this illustrative booklet.

WARNING

Cockpit components were exclusively designed and constructed for video game use. Sparco S.p.A. cannot be held liable for damages and/or risks due to product use other than that for which it was designed.

INSTALLATION AND ASSEMBLY

The Evolve cockpit must be installed and assembled by an individual over 16 years old according to the safety and technical instructions provided hereto.
